

New Source Review: A Menu of Options

Final Report – June 2004

**State and Territorial Air Pollution
Program Administrators (STAPPA)
and
Association of Local Air Pollution
Control Officials (ALAPCO)**

About STAPPA and ALAPCO

The State and Territorial Air Pollution Program Administrators (STAPPA) and the Association of Local Air Pollution Control Officials (ALAPCO) are the two national associations of air pollution control officials in the states, territories and major metropolitan areas throughout the country. The members of STAPPA and ALAPCO have primary responsibility for implementing our nation's air pollution control laws and regulations. The associations serve to encourage the exchange of information and experience among air pollution control officials; enhance communication and cooperation among federal, state and local regulatory agencies; and facilitate air pollution control activities that will result in clean, healthful air across the country. STAPPA and ALAPCO share joint headquarters in Washington, DC.

For further information, contact STAPPA and ALAPCO at 444 North Capitol Street, NW, Suite 307, Washington, DC 20001 (telephone: 202-624-7864; fax: 202-624-7863; e-mail 4clnair@4cleanair.org) or visit our associations' Web site at www.cleanairworld.org.

Table of Contents

PREAMBLE

	EXECUTIVE SUMMARY	P-1
