

### List of Questions for EPA

- Why can't we have digital copies of course material so we can correct it – then it's corrected on master copy? EPA only provides hard copies. Ask Dennis Shipman EPA.
- Ask EPA to turn all APTI courses into electronic files and make them available to everyone.
- What happens to all the APTI course material after June 2006?
- What funds does EPA have to update course material or make it digital?
- What happens to awarding CEUs? CEUs important to PEs. (Or use contact hours instead?). EPA will still do.
- Can we get electronic or hard copies of self-instructional copies – whether archived or not?
- What is the deadline for training providers submitting proposals to EPA? Dennis says mid-April. He will handle MJOs. Jerry Yarn is handling universities.

### EPA Action Items

1. EPA to provide a list of which courses EPA has electronically and in what format (PDF, Word, Wordperfect or other)
2. Ask Steve Page for how long APLDN will be in place – states need to know if should maintain infrastructure
3. What about Web-ex license?
