Dear Ms. Jackson:

On behalf of the National Association of Clean Air Agencies (NACAA), please accept our congratulations on your nomination by President-elect Obama as Administrator of the U.S. Environmental Protection Agency. We are delighted by your appointment and are confident that under your leadership EPA and our nation's environmental programs will flourish.

We are pleased to transmit to you – as the Administrator-designee and in your role as Co-Chair of the EPA Transition Team – *Change Is in the Air*, NACAA's recommendations to the Obama Administration on improving our nation's air quality.

Our association's leaders look forward to meeting with representatives of the Transition Team at 1:30 p.m. this Thursday, December 18, 2008. In the meantime, or in follow-up, if you have any questions, please do not hesitate to contact either of us or NACAA's Executive Director, Bill Becker.

We look forward to working with you, the Transition Team and the Obama Administration in the weeks, months and years to come.

Sincerely,

Colleen Cripps (Nevada)
